

PREVAILING WAGE COMMISSION MEETING
December 1, 2010
MINUTES

PRESENT: **COMMISSIONER JAMES NEELEY**
 BRENT HALL
 RANDY LOVETT
 RT SUMMERS

Recorded by: Christina J. Tugman

Please note this transcript is no a word-for-word account. Some general discussion and comments have been omitted for the sake of brevity.

I. Call to Order and Roll Call

Christina J. Tugman called the meeting to order at 10:00 a.m. with all commission members stating their names for the record.

II. Conflict of Interest Declaration - Omitted

III. Old Business

Review and approve November 16, 2010 Prevailing Wage Commission Meeting Minutes.

Commissioner Neeley brought attention to the issue that there needs to be a modification of the 6% change on the insufficient data.

RT Summers called for a motion to approve the minutes from the Prevailing Wage Commission Meeting of November 16, 2010.

Randy Lovett seconded.
All approved. Motion passed.

IV. New Business

Review completed data and proposed final rates from both the 2010 Highway & Bridge Construction Survey, as well as the 2010 Building Construction Survey.

Allow any comments from those wishing to address the Prevailing Wage Commission.

No comments were made by the public.

Set final Prevailing Wage Rates for 2011 Highway & Bridge Construction, as well as final rates for 2011-2012 Building Construction.

Commission members reviewed the Highway & Bridge rates. Any classification that had insufficient data the commission voted to raise those by 6.44%, which is the state average. Unfortunately the law only allows us to raise the rate by 6%. Therefore classifications #8 Drill Operator, #15 Painter/Sandblaster, #16 Powder Person Blaster, and #19 Sweeping Machine (Vac.); the published rates should reflect a 6% increase rather than the 6.44%.

RT Summers made a motion to raise the classifications to only 6% according to the law.

**Randy Lovett seconded.
All approved. Motion passed.**

RT Summers made a motion to approve the Highway & Bridge rates with the appropriate change.

**Randy Lovett seconded.
All approved. Motion passed.**

Review of the 2011-2012 Building Construction rates.

RT made a motion to approve the Building Construction rates for 2011-2012.

**Randy Lovett seconded.
All approved. Motion passed.**

Commissioner Neeley stated that the information on the final rates should be mailed out prior to the last meeting of the year of the Prevailing Wage Commission.

Commissioner Neeley made a motion to adjourn the meeting of the Prevailing Wage Commission.

**Randy Lovett seconded.
All approved. Motion passed.**
